I don't need, I don't need nobody

Please shut the front door and walk right in  
In the land of the man who rock it hard for them  
Super Solo Dolo attack, run into that

If you'd like to know, yes, I am on acid  
Who could it be? K I D  
Searching all day in the streets for DMT  
Don't sip it, though it couldn't answer drip, drip all day  
bumpin' MGMT, ..  
Watch who you hate on fam without the facts  
Sad niggas back in the hood bumpin' ratatat  
To me it was a dream, a fiend to understand that  
You never seen a nigga like me?  
I just tell 'em I'm an oxymoron when I open my mouth  
'Cause people talk shit before knowing what I'm about  
But they show this Cleveland boys is ill  
But pretty soon your gutter bitches wildin' for real, it's  
such a trip  
Hoes around the globe, I'm known to have a fet  
I don't do a thing and these bitches lickin' they lips  
Me and Chip reflect on all the hate and..  
Mhm, you almost got me, but sucker I'm not a sucker  
I better get on back  
You pussy motherfuckers get the Will Smith smack  
And I am not a fronter, better look up the facts  
The world know what it be  
Mr. Rager, Solo Dolo see me, repeat it.

Kendrick Lamar - Hook:

Come, come now, last call, who want some?  
It's just me, two bitches and dirty drums  
Two lips to kiss, 22 other nuns  
God blessed my tongue, God need it for life  
Awkward like car rides, twiddling my thumbs  
Pondering my next accomplishments  
It's condescending to say I won  
Two lips, you kiss my ass tonight, huh?

[Kendrick Lamar:]

I really want it, I need it  
Break bread or break fast  
Before I blast and break legs, ride past  
And they scream out "little Johnny is dead"  
You wish me well, I wish you hell  
Eternity, no such thing as time will tell  
Infirmity, burn like magnetic combustion  
Bad credit with me, and paramedics are hustlin'  
What's the definition of water?  
Sherm sticks, simply got 'em everywhere you caught us  
Turn quick, I don't wanna play this for my daughter  
If my son heard it, probably look at you as his father  
I'm proud of myself in a bad way  
Halfway house, tell that to me halfway  
I'm passin' out ass will be your ass  
Your ass lookin' for Michelle Obama 'til I bang on you

Hook:

They couldn't come, come now, last call, who want  
some?  
It's just me, two bitches and dirty drums  
Two lips to kiss, 22 other nuns
