Now you can check the whip appeal  
Damn this kit is I'll  
Gear shiftin', this move is butta  
Cut in n out of lanes undercova  
Style, wow, my mirror, the rearview  
You can never fly by homie, I will see you  
Mach 5, change terrains if need be

Thou, shall never floor past

Seatbelt, really should be strapped on  
Not gone when I hit about 50  
Trying to break the speed of sound homie  
Do you get me  
I call the move in the hand  
Never speed  
A strip of asphalt is all I ever need, all I ever see  
When I'm switchin lanes you can hardly see  
I'm good, I'm okay, don't worry about it boo boo  
I do this all the time, this is my life dude  
Vroom Vroom, give me room fool

Chorus

You can catch me, switchin' lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me, switchin lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me, switchin lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me switchin' lanes lanesssss...

Gettin em gettin' em  
And we lookin' at dem, lookin' up  
With my cool up in the bag,  
Top is never up on the mer-cedes,  
Four ladies wanna go half on a baby with anybody  
ready and willin'  
I am normally stuntin', and I am currently killin',  
My involvment with murder might as well beginin',  
And clearly will it catch on? I doubt it  
If they ask questions I wont know nothing about it  
Being on this side of the law is a ball

Straight west coastin', nothin' Roosevelt doo

We gon act a fool,  
Chilly chill for a minute  
Uh, I see some french girls  
Baby ooo wie wie  
I see you smokin oowie  
Me and my niggas Zulee  
Stick it to the script and I be puffin', puffin' past  
Don't break the rules and we'll get along fine  
Road trip is steady different from what's keepin' us  
behind

Chorus

You can catch me, switchin' lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me, switchin lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me, switchin lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me switchin' lanes lanesssss...

Swerve swerve  
Gettin gone, gone  
Gone go, gone go  
Swerve swerve  
Den I'm gone go  
Gone go gone gone

Swerve swerve  
Getting gone, gone  
Gone go, gone go  
Swerve swerve  
Den I'm gone go  
Gone go, gone go

You can catch up if you want  
I'll be gone gone  
And try and catch up if you want  
I'll be gone gone  
You can catch up if you want, catch up if you want  
I'll be gone gone

Chorus

You can catch me, switchin' lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me, switchin lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me, switchin lanes lanes  
Switchin' lanes lanes, switchin' lanes lanes  
You can catch me switchin' lanes lanesssss...
