Now you can check the whip appeal
damn this nigga is ill
gear shifting as smooth as butter
Cud in and outta lanes, undercover
style woow my mirror the rear view
you could never fly by
homie I will see you
mach 5, change terrains if need be
thou shall never floor past
im all ready. i did it for you
act on
seatbelt
released to be strapped on
mach on
hit me when i hit a buck 50
trying break the speed of sound
homie can you get me
I call it movin ahead
never speed
a strip of asphalt is
all I ever need
all I ever see
when im switching lanes
they can hardly see
I am good I am ok
dont worry about a boo boo
I do this all the time this is my life dude
vroom vroom give me room fool
[You can catch me
switching lanes lanes
switching lanes lanes
switching lanes lanes] X2
You can catch me
switching lanes lanesss
I am getting em getting em
and we look at them lookin
I bring my cool up in the back
and the top is never up on the merr cedes
four ladies wanna go have all they babies
for anybody ready and willing

I am normally stunting

and I am currently killing
my involvement wit murder might as well begin here
and clearly will they catch on I doubt it
if they ask questions I wont know nothing about it
being on this side of the law is a ball
straight west coat and at the Roosevelt crew
we gon act a fool chilly chill for a minute (min-we) uh
I see some French girls baby ooo wee wee
I see you smoking oowee me and my nigga Zuli
stick it to the script and ill be puffin puffin pass
dont break the rules and well get along fine
roll trippin steady dippin from whats keepin us behind
[You can catch me
switching lanes lanes
switching lanes lanes
switching lanes lanes] X2
You can catch me
switching lanes lanesss
[swerve swerve
get em
gone gone
gone gone
gone gone
swerve swerve
then im gone gone
gone gone
gone gone]X2
you can catch up if you want ill be gone gone
try and catch up if you want ill be gone gone
you can catch up if you want catch up if you want ill be
gone gone
[You can catch me
switching lanes lanes
switching lanes lanes
switching lanes lanes] X2
You can catch me
switching lanes lanesss
