Gettin' in from the airport

You gettin' in from your study group

The only thing missing at this point,

Is bonified chillin' time with you

I can't stand the times when I'm alone at night and I  
feel your side of the bed and it's cold

I'm wide awake I don't know the time cause I'm too  
busy texting you on my phone

Sayin'!

I want you girl and I need your body right here

Won't you teleport 2 me

I want you girl and I need your body right here

Won't you teleport 2 me

I want you girl

Right here, right here

Wont you teleport 2 me

I want you girl

Right here, right here

Won't you teleport 2 me baby

Na na na na na na na na na na na na na na na na na  
naaaa

Aye yo

Na na na na na na na naaaaa naaa naaa na na na

naaaaaa

Aye yo

You call out to me through the light

I know you must be close

The moment when I realize it's all in my mind

The moment I hate the most

Somebody help me

Does anyone care?

Can anyone hear me?

Is there anyone there?

Im over the loneliness and I can't close my eyes

With out you by my side

And I want you girl and I need your body right here

Won't you teleport 2 me

I want you girl and I need your body right here

Won't you teleport 2 me

Na na na na na na na na na na na na na na na na na  
naaaa

Aye yo

Na na na na na na na na naaaaa naaa naaa na na na  
naaaaaa

Aye yo

Aye yo

Teleport 2 me

Right here

Won't you teleport 2 me, baby
