Gettin' in from the airport
Gettin' in from my study group
The only thing missing at this point
Is bonified chillin' time with you

I can't stand the times when I'm alone
And tonight I feel the side of your bed and its cold
(Hey, hmm)
I'm wide awake, don't know the time
Cause I'm too busy texting you on my phone

See, I want you girl and I need your body right here
Won't you teleport to me
I want you girl, I need your body right here
Won't you teleport to me
I want you girl, right here, right here,
Won't you teleport to me
I want you girl, right here, right here,
Won't you teleport to me
Baby
(Na, na, na, na, na, etc)
