It's like a dream to me  
All the things that I see  
Start from something small  
I am the man now  
It's like a dream to me  
All the things that I see  
Start from something small  
I am the man now

See, all of the things they say could not be  
Complete, so in control of who I want to be  
Times have changed now  
I've changed, a good difference  
More champagne now  
What I'm seein' now I wouldn't miss it

It's like a dream to me  
All the things that I see  
Start from something small  
I am the man now  
It's like a dream to me. (It's like a dream to me)  
All the things that I see. (All the things that I see.)  
Start from something small. (Start from something small)  
I am the man now. (I am the man now.)

Go, far beyond that my hopes can go  
Fly, you got places to be can't let the time speed by  
Times have changed now  
I'm strong, a good difference  
More champagne now  
What I'm seein; now I wouldn't miss it

It's like a dream to me  
All the things that I see  
Start from something small  
I am the man now  
It's like a dream to me. (It's like a dream to me)  
All the things that I see. (All the things that I see.)  
Start from something small. (Start from something small)  
I am the man now. (I am the man now.)
