Oohh...

Ohh Oooohh...

What a world that I'm livin' in,  
Will the rainstorms ever end,  
Still I fell my path narrow,  
I run again,  
Seem's happyness is gone again,  
And then you see 'em,  
Grey clouds up above mane,  
Metaphoric to my life mane,  
Still I fell my heart stronger then it's ever been,  
Strong will 'til my journey ends,  
Until then I roll,  
More then I've ever rolled not pills but the mary  
though',  
Still I fell my eyes heavy when the day goes,  
Nothing helping with my head dose,  
But I ain't sleep,  
Awake in another state,  
Livin' in a new space,  
Still fell my mind runnin' at a steady pace,  
God help me so I'll win the race

Until then I go...  
The sky might fall  
The sky might fall  
But I'm not worried at all  
C'mon C'mon  
The sky might fall  
The sky might fall  
But I'm not worried at all  
Hey Hey

I let them know some, let them know some, let them  
know some  
Nigga listen up, listen up, listen up, listen uuup  
Hey I let them know some, let them know some, let  
them know some  
Nigga listen up, listen up, listen up, listen uuup

Grey clouds took together fam,

Lightning piercing through another land  
Over the desert where the lost play,  
Soul searching each and every way,  
An then you see tha,  
Awesome sounds so profound,  
When it - It'll grip you,  
You can see it,  
If you hear you can feel it too,  
Somethin' special I am learnin' to,  
Until then I go,  
Away very far away,  
To another universe where all the people say,  
It's that new new place for the special to embrace,  
Like a martian who seemingly wandered out of place,  
Take what you need from the valley of the hopeful,  
Where even if you drown you'll be floatin' high up,  
You can say Bye Bye Bye,  
Sky might be fallin' but remember you can fly high.

The sky might fall  
The sky might fall  
But I'm not worried at all  
C'mon C'mon  
The sky might fall  
The sky might fall  
But I'm not worried at all

Hey Hey  
I let them know some, let them know some, let them  
know some  
Nigga listen up, listen up, listen up, listen uuup  
Hey I let them know some, let them know some, let  
them know some  
Nigga listen up, listen up, listen up, listen uuup

I keep runnin', yeah, I gotta keep up, gotta keep up  
Yeah, gotta keep up, gotta keep up  
And I Keep runnin', yeah, I gotta keep up, gotta keep up  
Yeah, gotta keep up, I gotta keep up yeah

'Cause I'm gone, yeah, na, na, na, na, na, na, na, na  
I'm up and away, na, na, na, na  
You know what I'm about? Hey, Hey
