This is important ya'll, so please turn it up real loud.  
I got a question that I need you to answer now.  
If you walk in my shoes,  
Would you survive.  
If you said yeah then Imma call you a lie.  
You see  
I don't believe your words.  
most people are pussies  
Scared to be what God had made them to be.  
Theres someone high up in the sky laid out for all of us.  
Yeeeeaaaahhh Mmmhmm mmmm yup oh ooh  
I don't believe in miracles...noo  
I do believe in fate  
I do believe in Destiny  
This is important ya'll so please turn it up if you can  
I have matured so much.  
The boy has become a man  
Finally I can say Im feeling proper.  
No need to worry I'm a happy new me cuz I know  
Theres someone high up in the sky laid out for all of us.  
Yeeeeaaaahhh Mmmhmm mmmm yup oh ooh  
I don't believe in miracles...noo  
I do believe in fate  
I do believe in Destiny...  
Most people are pussies.  
hahah
