(Kid Cudi)

Yeah

The crazy, the wizard

So much whiskey all in my liver

I really like the punch it delivers

Makes me warm while I high-five sinners

All alone tryna' hide from the shadows

Ain't no use, it seems everywhere they follow

They know where I be at

Affect my mind, tryna' get me (get me)

(Kid Cudi & Mary J. Blige)

These worries are heavy

They rest on my shoulders

My pride, it won't let me

Fall victim no more

These worries are heavy

They rest on my shoulders

My pride, it won't let me

Fall victim no more

(Kid Cudi)

Well it's like that

Beat me up and I fight right back

Proof, proof be gone (be gone)

I see the devil linger on

Yeah

Stuck in my hell

Lie to my mom and I ain't doin' so well

Lord, let me in

I feel like he's my only friend

Yeah

The Rager, the Menace

Hate me now, don't hate me when I'm winnin'

Worked so hard, did not go insane

It's a full time job to not lose my faith

Okay, I've been here before

Alone for the umpteenth time or more

I'm tired of motherfuckers sayin' that they worry 'bout me

When in fact they probably never gave a FUCK about

me

My pride, it won't let me  
Fall victim no more

Yeah, life is like that  
Beat me up and I'll fight right back  
Proof, proof be gone  
I see the devil linger on  
Yeah, I don't wanna win  
As long as long as I can do the work with him  
Lord let me in, I feel like you're my only friend
