"Trippy"

[repeat 2x:]

Have you gone trippy trippy?
Have you gone trippy trippy?
Have you gone trippy trippy trippy?

Say I have gone, gone
And never come back, man
And never never never come back

[repeat 2x:]

Have you gone trippy trippy?
Have you gone trippy trippy?
Have you gone trippy trippy trippy?

Feel it in my veins
Feel it in my soul

Feel it in mind
Feel it my heart
Feel it in my soul

Feel it in my lungs
Feel it in my space
Feel it in my life

Feel it in my veins
Trippy in my eyes
I'm tripping in my eyes

[repeat 4x:]

Tell me have you gone trippy trippy?
Have you gone trippy trippy?
Have you gone?

I can't see the sun if it doesn't come through my
shades
I don't wanna see no one but myself today
Now I'm just tripping on the love I had yesterday
Time passes by me day by day

I feel it in my bones
Feel it in my lungs
Feel it in my brain

Feel it in a day
Feel it a night
Feel it in a day

I Never feel the same
I always feel different
Never feel the same

Now I'm just tripping
Going on my trippy
Going on my trippy trippy trippy

[repeat 2x:]

Tell me have you gone trippy trippy?
Have you gone trippy trippy?
Have you gone?

And now I can't get my radio to play no songs
And now I can't get my spaceship to fly away
I think I can make it work but today is not my day
So now I think it's time for us to fly away
Yeah

I can't see the sun if it doesn't come through my
shades
I don't wanna see no one but myself today
Now I'm just tripping on the love I had yesterday
Time passes by me day by day
