I never gave a fuck
I never a fuck about what niggas thought about me
I mean I did but like fuck it yummsayin
You gon' love me man
You gon' love me man

They can't comprehend
They even come close to understanding him
I guess if I was borin they would love me more
Guess if I was simple in the mind
Everything would be fine
Maybe if I was jerk to girls
Instead of being nice and speakin kind words
Then maybe it would be ok to say then
I wasn't a good guy to begin with

But my mind is all crazy, crazy, crazy...
They got me thinkin I aint human,
Like I came in from above, above, above...
Feelin like a airplane in the sky
But then they say I'm crazy, crazy, crazy...
They got me thinkin I aint human,
Like I came in from above, above, above...
Feelin like a bird sittin high high

I be that man on the moon
I'm that man on the moon
And imma do what I do so
Do you hey hey
I be posted with my blunt and a brew my dude
I'm that man on the moon
I'm up up on the moon

Close my eyes, hide in the dark
It's a curtain call, come one come all
All I do is try to make it simple
The ones that make it complicated
Never get congratulated
I'm somethin different in all aspects
Don't want a woman just to love her assets
I Still wife her up even with her flat chest
The type to get hurt

But that's the past tense

My mind is all hazy, hazy, hazy...
I be thinkin that I'm ball,
Cuz they used to call me lame, lame, lame...
But my swag was a little different
But then my mind is hazy, hazy, hazy...
I be thinkin that I'm ball,
But they the ones who blame, blame, blame...
I got the last laugh nigga

I be that man on the moon
I'm that man on the moon
And imma do what I do so
Do you hey hey
I be posted with my blunt and a brew my dude
I'm that man on the moon
I'm up up on the moon
