(talking)

Pass the joint blood (taking puffs)

Hey blood leave my uncle alone

(chorus)

chema otro llano mas

chema otro llano, chema otro llano

chema otro llano mas

chema otro llano, chema otro llano (that's right)

chema otro llano mas

chema otro llano, chema otro llano

chema otro llano mas

chema otro llano, chema otro llano

Frost:

Vete cabron simon

It's time to find the mean rifa

Who gets high in your muthafucking clicka

the big boy is on another late night creep huh

llesca llesca cola de zorillo

we don't do chiva and we don't smoke frios

we smoke that marijuana pa fumar over head

it come down on me like a rayo

damn now im high as fuck thats right

and me and the homies don't stop pero esta bien

cause i got the louch that could make the party melt

while the rest of you hating on my flow shit

i'll let you know that I'm afrom

chema otro llano, chema otro llano
