[B.G.]

I'ma lil' nigga that will down you
Let off fifty rounds at you and
If you fake I don't want to be no where around you
I'ma Head Buster, Tru Hustler, a real nigga and
Believe I'd never get caught without my steel nigga
You want beef with me, I'ma do ya somethin' wrong
I'ma empty seventeenth bullets straight off in yo dome

Disrespect my mind, if ya want, ya gone die
Cause it's like that, only way I know
How to play it, I'm all ready
Wanted by a triple murder by the Feds
So I'ma get me a brick, break it down to all O's
Sell 'em for six, to let my cliental roll
Buy four more ki's sell two, and sit on two
Cause I heard, through the wind, they got a draught
comin' through
I'ma hit me a lick off in that UPT
Tax them nigga's I want thirty a ki

[Chorus - repeat 2X]

Nigga I'm thugged out

[B.G.]

All I know how to do is thug , hustle, and kill a nigga
If I gotta, if I don't know ya, don't trust ya
Shit's in me to be a rider,

Stacked up in the closet
If ya out of line I'ma stop ya
Ch-Ch-Ch Chop Ya!
You know me, I'm off the block,
On my side keep a Glock,
Find me in a corner house, runnin' a Quarter Shop
Police got my picture, on they dash try'na catch me
But fuck, they can kiss my ass, I'm bout Feddi
Thugin' is all I remember that I've been doin'
Every since I came out the womb, I've been booin'
Runnin' with straight killers, guerillas, and real niggas
It's kill or be killed with me, you know the deal nigga
My price stay right, that's why my shop stay hot
Whatever ya spend, ya gonna double it off top
Ain't nothin' in this World, you bout I ain't bout

[Chorus-2x]

[B.G.]

So you can come my way,

To tie you up, and throw you off, in my trunk-e nigga
Call yo wootay's let 'em know I'ma keep ya nigga

So I gotta play it raw, cause only the strong survive
So it's a must I sell them first, and grab them thing's
