Don't you know that you're my reason
For my love, my life, my beeing
So secure and so damn sure my
Heart would surely die without you
I tried to swallow my pride
But I felt my heart start to tremble inside
Wish I didn't know 'cause I can't let you go
Tell me
Why
Why when I looked in your eyes
I felt my heart start to cry
My o my
When I saw you with the other girl
Ooh why,
Why did you have have to lie
'Cause I felt the trust start to die
Why o why
When I still love you
It's so hard to say goodbye
How can you tell me it was nothing
'Cause you took away everything I dreamed in
Just a night and I held you tight
When you know you were sleeping in my bed
I tried to swallow my pride
But I felt my heart start to tremble inside
Wish I didn't know 'cause I can't let you go
Tell me
Why
Why when I looked in your eyes
I felt my heart start to cry
My o my
When I saw you with the other girl
Ooh why,
Why did you have have to lie
'Cause I felt the trust start to die
Why o why
When I still love you
It's so hard to say goodbye
Should I quietly leave through the door
Or maybe pretend the way things were once before
When I met you

I'll never forget you, so
Why
Why when I looked in your eyes
I felt my heart start to cry
My o my
When I saw you with the other girl
Ooh why,
Why did you have have to lie
'Cause I felt the trust start to die
Why o why
When I still love you
It's so hard to say goodbye
