Well guess whos back, with a big fat cock
It's the kid motherfucker with the classic rock
Like wax that booty, yodel ay de who, punk
Slappin you hoes with dick when I get drunk
From Alabama, to Texarcana
Bend over bitch and let me slam a
Big fat dick up in your puddy, oh goody
If your a freaky hoe, well do the backdoor boogy
Bitch
Don't even front
You'de shit your pants if I licked your cunt
Fuckin in the bed, fuckin in the showers
I got more hoes then my man ed powers
I wont send flowers after fuckin doll
You can bet your ass I'll be screening calls
I don't really need to be tied down
I'm a ramblin man and I'm platinum bound
Now I'm on the hunt rippin hoes apart
And I fuck so hard I make their pussy fart
Do the hip-hip-hop ya di-don't stop
I'm back, bitch, with the classic rock
Now if you wanna be fucked then step up, bitch
I'm gonna pack my dick all up in your shit
Now I don't like rubbers, they hold me back
Instead I ride like Tonto and go bare-back
I wont cut slack for the stuck up hoes
Turn they're heads turn up their nose
Slimmy on a slit, try to tell me how to shake
That's when I drop my drawers and show em my dick
Huh, you know that's true
I got a pocket full of pills and a bottle of brew
Got a hoe named sue and one named Pam
Fucked em both at the same time (GOT DAM!)
Playin shows, fuckin hoes
Got the dope in my veins and up my nose
I want some hoes I can mack on
Kid rock, ya kno I get more pussy then a tampon
Kid, to the clip, to the grip, to the flip
To the back, to the slap, to my nuts in your butt
Yeah don't stop, because I'm back with the classic rock
You want my balls in your mouth, and you don't stop

You want my balls in your mouth
