I'm back (back) the fog has lifted
The earth has shifted
And raised the gifted
You knew I'd be back
So pack your bone And hit the road jack
Cause daddy's home
With the funky hot rifs
Thick like Al Rowker
Pumpin out hits
Gettin chips like Oprah
Bitch I told ya, do not hate
Or question the music I make (uh)

[Chorus:]

I make punk rock
And I mix it with the hip hop
I get you higher then a tree top
You wanna roll with the Kid Rock
I make southern rock
And I mix it with the hip hop
I got money like Fort Knox
I'll forever been the Kid Rock
Forever

The junkies are, still cigar puffin
Still the same cause I ain't changed nothin
Huffin and puffin
I got you rookies
All in check doin' the redneck boogie
The king is back to retract the whack
Repacked my sack with a double deck pack
Forget all that I'm still singin
And like kids on monkey bars I'm still swingin
Thought I got dusty
Thought I'd get rusty
Thought I'd get rich and quit oh he must be
Fat and ugly broke black and blue
But I'm trim, fit, rich and I'm back for round two
Red white and the Pabst blue ribbon
Dead right that's how I'm livin'
Givin you more then the frauds and fakes

They can't make the kind of music I make (uh uh)

[Chorus]

The black hat is back, in original form
The legible creditable inevitable storm
Way past the norm, still misbehavin
Finger in the air and the flag still wavin
Young crones don't test the boss
Cause I got this sewn like Betsy Ross
You can floss and front
You can taunt and tease
But you can't fuck with rhymes like these
Thumpin like a drum kit
With rifs that split picks
Pumpin for the kids who twist spliffs and sip fifths
I got the gift I'm about to unwrap it
8 ball side pocket
8 ball in my jacket
Pussy and blow you now how I live
Can't say that Kid
Fuck off I just did
Watch me twirl like Earl the pearl
Or just keep on Kid Rockin in the free world

[Chorus]

Punk rock
Forever
Hip hop
Forever
Tree top
Forever
Kid Rock (yeahhhhhhhh!)

Punk rock
Forever
Hip hop
Forever
Southern rock
Forever
Kid Rock
Forever (yeahhhhhhhh!)
FOREVER!
