"Lately I've been spendin lots of time with my kid  
Tellin him stories  
About the things that we did  
When we were a family  
Long time ago  
I've answerd his questions  
Till I'm blue in the face  
Wish all that hurt in him  
I could erase  
But I tell him the truth  
Cause he aint to young to know

Single father  
Part time mother  
When I'm not one  
Then I'm the other  
You used to be  
My full time lover  
Now I'm a single father  
And a part time mother

I spend every minute  
I can with my boy  
There's no doubt about it  
He's my pride and joy  
Someday he will grow up  
And I wont have him no more  
Some things I just find  
Too hard to explain  
So we go to Mcdonalds  
Or I buy him a train  
And we go put it together  
On the living room floor

Such is the life  
Of a single father  
He says daddy explain  
If it's not too much bother  
While it's just you and me  
Living here in this home  
I don't understand it

And neither does he  
Why there's just two  
When there should be three of us  
Sharing this moment  
Lord I feel so alone

[repeat chorus]"
