I like to play hank williams jr  
Records  
Just as loud as they will rock  
Im into lynerd skynerd run dmc  
And that American Pimp Kid Rock  
I like willie, waylon, george and merle and a lot of zz  
top  
I like country, soul, rock-n-roll  
And i love me some hip hop

Im a redneck rock-n-roll son of detroit  
I don't like no new wave  
Techno bands around  
Im a drink a couple dozen beers  
Go out and jam some gears  
Im a long haired rock-n-roll  
Son of detroit

I got bougart and west coast chopper  
That sure makes them bitches stare  
Got a dead flamingo wrapped around this cowboy hat i  
wear  
I like 2 cuss, yell, scream. fight  
And raise all kinds of hell  
And if you ride to live like i live to ride  
Then let me hear that rebel yell

I like my whiskey straight up daiquiris  
Make me ill  
And if someone touches my beaver skins  
I get mad enough to kill  
I got a rifle rack in my pick up truck  
Im a four wheelin maniac  
And if you wanna race  
Just name the place  
And I'll show you where it's at
