

## Kid Loco

### "Welcome 2 The Party"

Visit "[Welcome 2 The Party](#)" on [MotoLyrics.com](http://MotoLyrics.com)

#### Intro:

It ain't nothing but a party here  
From the early evening til the break of day  
So step this way and let your mind be free  
And by the way... "welcome to the party"

#### Verse 1:

Well my name's Kid Rock I'm a Capricorn  
Detroit's city where I was born  
When I was young I knew I'd always be  
A super live body rockin' MC  
I'm T-N-T I'm dynamite  
And I'm gonna rock this party all damn night  
I've got the gift of gab I can walk the walk  
I became an emcee when I learned to talk  
Sayin' goo-goo ga-ga  
I gotta lotta time to eat MC's like pirhanas  
I'm a pro at this, yeah the ultimate  
'Cause I don't spit, my rap too quick  
I'm the ladies pick all around the world  
But I only got eyes for just one girl  
I don't roll twirl like a ballarena  
I roll through towns and I rock arenas  
I may seem a little under age  
But at least I am not under paid  
I'm one of kind here to shock your mind  
And I will serve no rhymes before their time  
The K-K-Kid Rock, that is my name  
And if you ask me again, I'll tell you the same  
Who's to blame I don't really know  
But my game's so tight I think I'm gonna go pro  
So here we go here here we go  
I'm gonna rock it up high, then rock it down low  
>From the floor to the ceiling to the living room  
'Cause people like to hear my bass go boom boom  
boom ba boom  
The one two three the three two one  
Don't stop me know I've just begun  
Don't cut me down don't start no fight  
Or I'll put my foot in your ass tonight  
I'm outta sight, like the planet Mars

And when I set my sights I shoot for stars  
I don't like small cars or real big women  
But somehow I always find myself in 'em  
I'm a hidden gem, a rollin' stone  
I'm a one man band with a microphone  
Here to make you shake and move your body  
So come on in and welcome to the party

Chorus:It ain't nothing but a party hey  
From the early evening to the break of day  
So step this way and let your mind be free  
And by the way welcome to the party

Interlude:Uh uh excuse me Mr. Kid Rock can I do my  
thing Can I have a  
Little something to say right here  
"Oh yeah go ahead baby"

I'm a real live show and you can watch me throw  
I'm the M to the L and I'll let ya know  
Alize is too sweet and it'll make ya fat  
I've got a pound of dank and a gallon of Kognack  
I'm all of that and a bag of chips  
I'm the whole damn party mix  
I'm the chick that doesn't seem all too classy  
You can't party with me but you can kiss my \*Whistle\*

Chorus:It ain't nothing but a party here  
From the early evening to the break of day  
So step this way and let your mind be free  
And by the way "welcome to the party"

Verse 2:Hey Grandmaster 5 that old school shit's fresh  
But uh let's rock some of that fuckin' 1998 Kid Rock shit  
bro

I'm an Irish lad, but don't call me Clancy  
I'm gonna rock it for Dixie to suit your fancy  
Rock your pants off and party my dick off  
People want to know when's the tour gonna kick off  
I'm no rip-off , it's all original  
Not too political...a little cynical  
About the fakes and squakers that talk a lot of Ku-ca  
I know a lot of chicks that like to call me poppa  
Don't start drama...mack in the bahamas  
Rock on the dance floor to din dada  
Cause I'm a player that you love to hate  
Got your girl suckin' dick on video tape  
I like pussy...suckin' on titties  
Fucked a lot of different bitches from a bunch of  
different cities

Kid Rock and I'm the same old fool  
I'll tell ya to drop your boyfriend then drop outta high school  
I got a whirlpool...don't even ask  
Lickin' pussy underwater shootin' bubbles up your ass  
I'm so crass that I'm the last of my kind  
Me, Slick Willie in the DC Shrine  
Sometimes I rhyme just for kicks  
Forget the bullshit and bust like this  
I don't steal from the rich and give to the poor  
I take from my bitches from give it to my whores  
What up I'm saying everybody  
You get fucked up and i'll rock the party

Rock the party(8x)
