Never thought about the other side oh no  
It was always lets go try to pull some hoes  
And I pulled em like a tow-truck  
Since I was a young buck  
Guaranteed the hoes always got fucked  
With a one-two and all that good shit  
I never flipped or tripped or got pussy whipped  
Cause I'm k-k-k-k kid rock motherfucker  
You wanna piece of me  
You're just another sucker  
Nut oh well you don't bother me none  
Cause me and your girl have lots of fun  
You know the one that looks like a model  
Sucks on my nuts like a baby on a milk bottle  
Not cause I make her, I wouldn't make her  
But cause I mack her right, she loves me all night

With a one-two and all that good shit  
With a one-two I take another sip  
With a one-two and I'll rock this party  
With a one-two ya better ask somebody

Get down girl an' read my mind  
And you'll see that it's focused on your behind  
You gotta lotta class and don't mind me askin'  
But can I go up in your fat ass  
And just pump, pump, pump  
What's next? check your money  
Its scum and it's time to jet  
You bet she'll be into it more  
On the bed the steps and the kitchen floor  
You like the way the k-i-d  
Did it like I said i  
Would, could, should I do it good  
In your neighborhood  
On your fuckin block  
Cause I'm the coooool the kid rock  
Kid rock kid kid rock kid kid rock kid rock kid rock  
Make it nasty  
Hoes talk the same shit  
Ya dress like a slob

But bitches still give a good blow-job  
Up come my drawers and it's goodbye  
The kid rock's just got to fly cause it's 1-9-9-0  
Time to fuck hoes  
But before ya goin put jimmy in a lambskin  
And we could bump all night you bet  
So get set to jet and go get wet  
Come on outta your girdle and slacks  
And I'll shine that booty like turtle wax

With a one-two and all that good shit  
With a one-two I take another sip  
With a one-two and I'll rock this party  
With a one-two ya better ask somebody  
Bitch
