The mule keeps kickin' the chickens in the pen

Half a million miles from the devil's den
We could scoot it on over to the Dew Drop Inn
And if we do drop in we gonna have us a time
Yeah we gonna pour some wine
Uh oh we gonna have us a time

The mule keeps kickin' the chickens in the pen
Let's rock all night and then do it again
The clock keeps tickin', the cock can't win
Let's rock all night and then do it again

Sittin' pretty, pretty on the top of the pile
We gonna cool rock ski for a country mile
And if a country mile don't get us in line
Yeah we gonna pour some wine
Uh oh we gonna have us a time

The mule keeps kickin' the chickens in the pen
Let's rock all night and then do it again
The clock keeps tickin', the cock can't win
Let's rock all night and then do it again

Baby let me love you let me take you higher
Sing ya sweet praise like a gospel choir
Baby let me love you let me take you higher
Come on girl let's set the woods on fire
Come on, yeah, come on

The mule keeps kickin' the chickens in the pen
Let's rock all night and then do it again
The clock keeps tickin', the cock can't win
Let's rock all night and then do it again
