Well she's the match that I hold in my fingers  
And I'm lettin' it burn to the nail  
And I know it's a pain that'll linger  
It's a woman like that sends a good man to jail

And now the cocaine and gin's got me spinnin'  
Left in the old lost n found  
If sorrow's a game then I'm winnin'  
Won't you please, set my feet on the ground

So I sat and I thought for a long time  
Prayin' on what I might do  
God you never did give me the answer  
And I can't stand the thought of another with you

And now the cocaine and gin's got me spinnin'  
Left in the old lost n found  
If sorrow's a game then I'm winnin'  
Won't you please, set my feet on the ground

Thank you for everything mamma  
For tryin' to raise me up well  
And I'm sorry I did what I had to do  
It's a woman like that sends a good man to hell

And now the cocaine and gin's got me spinnin'  
Left in the old lost n found  
If sorrow's a game then I'm winnin'  
Won't you please, set my feet on the ground
