Fuck Off

Unlike me, you're gonna run away
Unlike me, you'll see another day
Run like me, out on the highway
I will ride so faaaaaaarrrrrrrrrr
I'll probably never make it therrreee

I never went to college, I ain't got no skills
I got hair to my shoulders and a bottle of pills
I got bills stacked up like a turkey club
I blew my last dime drinkin at the local pub

I am not sunshine
I am dark and grey
For this life of sins
I live, each day I pay
I am not Jesus
But I died in vain
Only to relive each day I'll pay

Unlike me, you're gonna run away
Unlike me, you'll see another day
Run like me, out on the highway
I will ride so faaaaaaaaaarrrrrrrrrr
I'll probably never make it therrrreeee

Rock, rock y'all
(Rock y'all)
To the beat y'all
(Ah, to the beat y'all)
Check it out y'all
(Check it out y'all)
You cant stop y'all
(You can't stop y'all)
Rock, rock y'all

(Rock y'all)
To the beat y'all
(Ah, to the beat y'all)
Check it out y'all
(Check it out y'all)

You come alive y'all
(Alive y'all)
Come on

I never felt at home, although I grew up loved
I got a junkies mind in a ramblin man's blood
Got a flood full of thoughts that's caught in a dam
Somedays I'm gone, but that's where I am
I'm fit to slip another rippin rhyme
I'm so ahead of the game, I feel left behind
Another dime to boost, I got boots of lead
Hope I live to see this virus spread

I am not sunshine
I am dark and grey
For this life of sins I live
Each day I pay
I am not Jesus
But I died in vain
Only to relive each day I pay

Unlike me, you're gonna run away
Unlike me, you'll see another day
Run like me, out on the highway
I will ride so faaaaaaaarrrrrrrrrr
I'll probably never make it there

Aaaaaaaaaaaaaaaaaaaaaahhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh
