"Fuck That"

I sense danger, I'm a stranger
I'm feelin' major torn 'cause I wasn't born in a manger
And my anger has no outlet
So all day long I smoke that sess

I never rest, never sleep, I'm a freak
Too cheap to talk and so I scream like yah
And everything that you stand for, hates us
But everything your soul needs, it awaits us

So let's ride, not slide, let's mack
And if they say, "You can't go around", her say, "Fuck
that"
So let's ride, not slide, let's mack
And if they say, "You can't go around", him say, "Fuck
that"

So let's ride, not slide, let's mack
And if they say, "You can't go around", here say, "Fuck
that"
So let's ride, not slide, let's mack
And if they say, "You can't go around", me say, "Fuck
that"

I sense danger, I'm a stranger
I'm feelin' major torn 'cause I wasn't born in a manger
I feel funny and I smell like sex
But in my heart I have no regrets

So let's roll, pay your toll, get soul
Let me know, uphold, smoke a bowl like
'Cause everything that you stand for, hates us
But everything your soul needs, it awaits us

So let's ride, not slide, let's mack
And if they say, "You can't go around", her say, "Fuck
that"
So let's ride, not slide, let's mack
And if they say, "You can't go around", him say, "Fuck
that"

So let's ride, not slide, let's mack

And if they say, "You can't go around", here say, "Fuck that"

So let's ride, not slide, let's mack

And if they say, "You can't go around", me say, "Fuck that"

I see lights in my sights but they look dim

I never backed out or cracked out but I look thin

I wanna fight for the right but I'm wrong

Say you love me, now I'm gone

I never rest, never sleep, I'm a freak

Too cheap to talk and so I shut up like

And everything that you stand for, hates us

But everything your soul needs, it awaits us

So let's ride, not slide, let's mack

And if they say, "You can't go around", her say, "Fuck that"

So let's ride, not slide, let's mack

And if they say, "You can't go around", him say, "Fuck that"

So let's ride, not slide, let's mack

And if they say, "You can't go around", here say, "Fuck that"

So let's ride, not slide, let's mack

And if they say, "You can't go around", me say, "Fuck that"

Fuck that

Fuck that

Fuck that
