(Kid Rock) Livin' my life in a slow hell
Different girl every night at the hotel
I aint seen the sun shine in 3 damn days
Been fuelin' up on cocaine and whisky
Wish I had a good girl to miss me
Lord I wonder if I'll ever change my ways
I put your picture away
Sat down and cried the day
I can't look at you while I'm lyin' next to her
I put your picture away, sat down and cried today
I can't look at you while I'm lyin' next to her

(Sherly Crow)
I called you lastnight in the hotel
Everyone knows but they wont tell
But their half hearted smiles tell me
Somethin' just ain't right
I been waitin' on you for a long time
Fuelin' up on heartaches and cheap wine
I ain't heard from you in 3 damn nights
I put your picture away
I wonder where you been
I can't look at you while I'm lyin' next to him
I put your picture away
I wonder where you been
I can't look at you while I'm lyin' next to him
I saw ya yesterday with an old friend

(Kid Rock)
It was the same ole same "how have you been"

(Both)
Since you been gone my worlds been dark & grey

(Kid Rock)
You reminded me of brighter days

(Sheryl Crow)
I hoped you were comin' home to stay
I was head of the church

(Kid Rock)

I was off to drink you away

(Both)

I thought about you for a long time

Can't seem to get you off my mind

I can't understand why we're living life this way

I found your picture today

I swear I'll change my ways

I just called to say I want you to come back home

I found your picture today

I swear I'll change my ways

I just called to say I want you to come back home

I just called to say, I love you come back home
