He got a song to sing he got an axe to grind  
He far and wide but still hard to find  
He go wop bop a loo bop a wop bam boom

He sang Long Tall Sally and Sweet Sixteen  
Good Golly Miss Molly and Maybellene  
He sent the whole world Walking to New Orleans

Mr. Hiatus won't ya save us from your radio  
Cuz these hip hop pop punk rock kids got no soul  
Either way we're proud to welcome back the star of  
the show  
So put your hands together for Mr. Rock n Roll

He sang Jailhouse Rock and Peggy Sue  
Rock Around the Clock and Blue Suede Shoes  
And still there ain't no cure for the Summertime Blues

He took the Mississippi Queen to Katmandu  
A Stairway to Heaven and yelled Hey Jude  
So tell me Proud Mary now Who Do You Love?

Mr. Hiatus won't ya save us from your radio  
Cuz these hip hop pop punk rock kids got no soul  
Either way we're proud to welcome back the star of  
the show  
So put your hands together for Mr. Rock n Roll

Save me  
Love me till the day I die take me to the mountain high  
Baby  
Guide me through the great divide and lay me by the  
ocean side  
So put your hands together for Mr. Rock n Roll

He said Hey Good Lookin', What's Going On  
A whole lotta shakin' and a simple song  
And still there Ain't No Mountain High Enough

He said Walk This Way Up Around the Bend  
Cuz up there we Won't Get Fooled Again

And yes, he gets high with a little help from his friends

Mr. Hiatus won't ya save us from your radio  
Because these hip hop pop punk rock kids got no soul  
Either way we're proud to welcome back the star of  
the show  
So put your hands together for Mr. Rock n Roll
