[Kid Rock]

Livin' my life in a slow hell  
Different girl every night at the hotel  
I ain't seen the sun shine in 3 damn days  
Been fuelin' up on cocaine and whisky  
Wish I had a good girl to miss me  
Lord I wonder if I'll ever change my ways  
I put your picture away  
Sat down and cried today  
I can't look at you while I'm lyin' next to her  
I put your picture away, sat down and cried today  
I can't look at you, while I'm lyin next to her

[Sherly Crow]

I called you last night in the hotel  
Everyone knows but they wont tell  
But their half hearted smiles tell me  
Somethin' just ain't right  
I been waitin' on you for a long time  
Fuelin' up on heartaches and cheap wine  
I ain't heard from you in 3 damn nights  
I put your picture away  
I wonder where you been  
I can't look at you while I'm lyin' next to him  
I put your picture away  
I wonder where you been  
I can't look at you while I'm lyin' next to him  
I saw ya yesterday with an old friend

[Kid Rock]

It was the same ole same "how have you been"

[Both]

Since you been gone my worlds been dark & grey

[Kid Rock]

You reminded me of brighter days

[Sheryl Crow]

I hoped you were comin' home to stay  
I was headed to church

[Kid Rock]

I was off to drink you away

[Both]

I thought about you for a long time

Can't seem to get you off my mind

I can't understand why we're living life this way

I found your picture today

I swear I'll change my ways

I just called to say I want you to come back home

I found your picture today

I swear I'll change my ways

I just called to say I want you to come back home

I just called to say, I love you come back home
