Kid rock:

Living my life in a slow hell
Different girl every night at the hotel
I ain't seen the sun shine in 3 damn days
Been fuelin up on cocaine and whiskey
Wish I had a good girl to miss me
Lord I wonder if I'll ever change my ways
I put your picture away
Sat down and cried today
I can't look at you while I'm lying next to her
I put your picture away
Sat down and cried today
I can't look at you while I'm lying next to her

Sheryl crow:

I called you last night in the hotel
Everyone knows but they won't tell
But their half hearted smiles tell me somethin' just ain't
right
I've been waiting on you for a long time
Fuelin up on heartaches and cheap wine
I ain't heard from you in 3 damn nights
I put your picture away
I wonder where you've been
I can't look at you while I'm lyin next to him
I put your picture away
I wonder where you've been
I can't look at you while I'm lyin next to him

Together:

I saw you yesterday with an old friend
It was the same old same how have you been
Since you've been gone my world's been dark and gray

Kid rock:

You reminded me of brighter days

Sheryl crow:

I hoped you were coming home to stay
I was headed to church

Kid rock:

I was off to drink you away

Together:

I thought about you for a long time
Can't seem to get you off my mind
I can't understand why we're living life this way
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I just called to say I love you
Come back home
