Kid Rock

Living my life in a slow hell
Different girl every night in the hotel
I haven't seen the sunshine in three whole days
Been fuelling up on cocaine and whiskey
Wish I had a good girl to miss me
Lord I wonder if I'll ever change my ways

I put your picture away
Sat down and cried today
I can't look at you while I'm lying next to her

I put your picture away
Sat down and cried today
I can't look at you while I'm lying next to her

Sheryl Crow

I called last night at the hotel
Everyone knows but they won't tell
But there half hearted smiles
Tell me something just ain't right
I've been waiting on you for sometime
Fuelling up on heartaches and cheap wine
I ain't heard from you in three dam nights

I put your picture away
I've wondered where you've been
I can't look at you while I'm lying next to him

I put your picture away
I've wondered where you've been
I can't look at you while I'm lying next to him

Sheryl Crow

I saw yesterday with an old friend

Kid Rock

It was the same old same how have you been

Both

Since you've been gone my world's been dark and grey

Kid Rock
You reminded me of brighter days

Sheryl Crow
I hoped you were coming home to stay

Both
I was heading for church
I was off to drink you away
I thought about you for a long time
I can't seem to get you off my mind
I can't understand why we're living life this way

I found your picture today
I swear I've changed my ways
I just called to say I want you to come back home

I found your picture today
I swear I've changed my ways
I just called to say I want you to come back home I just
called to say I love you come back home
