There's only two types of men
Pimps and John's
There's one type of bitch
And that's a hoe
God damn holly hooker this is my world
God damn time to go
Where's my dough
It's startin to snow
All I want is the dollas
I've been a pimp so long I knew gahndi when he had an
afro

Pimp, hold my dick like a holster
All the girls want a Kid Rock poster
And be able to both stay looked at
The number one pimp with the number one rap
What's up with that
Well I'm a cool cat
With the rap
That's harder than a pimp slap
And because I do so much pimpin
One day I'll probably walk with a limp
And drive a big Lincoln
Wearin an unbuttoned shirt
And be a fifty-five year old pervert
But for now rap's the occupation
But one day watch I'll be Pimp Of The Nation

Hoes are rustlic
Daddy's in the house
We got hoes and hoes and hoes
Prices so low
We pratically given the coochie coo away
Shake that booty, Shake that booty
Its not a bake sell, its a cake sell
God Damn It

Pimp of the Nation, I could be it
As a matter of a fact, I for see it
But only pimpin hoes with the big tush
While you be left pimpin Barbra Bush
What's up granny

First name Annie
Dried up cunt and a saggin fanny
The highlight of your sex adventures
You wanna suck this take out your denchers
A show of life is all I'm givin
Old pimp young hoes is how I'm livin
But for now rap's the occupation
But watch one day I'll be Pimp Of The Nation

I got all the hookers, God Damn It
I got Sensational Sherry, Juicy Lucy, Nasty Nancy, and
Tammy Toe Jam
All of them ready, willing, and able to give the mack
daddy all the dollas
And all the coochie coo till death do we part
Hahahaha

I have hoes like horses in a stable
Rich, famous, willing, and able
First off Ja Ja Kubore and tiffer gore

Is my highest paid whore
And for some hot booty waxin
Fake ass Latoya Jackson
Rosanne Barr is my newest trick
While on the beach I prune her with the dick
And the bitch who fucks with my cash
Robin Givens I'll whip your ass
Yeah Kid Rock, Kid Rock
Don't you fuck with me
I'll be Pimp of the Nation
