We kept apart and connected by the same stretch of
road

Neglected the truth and refused to grow old
It started a stream but then the levee fell
When the rainmaker had some extra seeds to sell

I just wanna drink 'til I'm not thirsty
I just wanna sleep 'til I'm not tired
I just wanna drive 'til I run out of highway
Into the purple sky

Well, I just thought I'd call and see what's going on
Did the hills all flatten out since I've been gone?
Are the fields all painted up in red and blue?
Are you thinking of me the times I'm thinking of you?

I just wanna drink 'til I'm not thirsty
I just wanna sleep 'til I'm not tired
I just wanna drive 'til I run out of highway
Into the purple sky

But if I'm gonna live until I'm 50
I'm gonna need you by my side
Cuz I don't wanna dance without you with me
Into the purple sky

Livin' like a soulless pirate somewhere lost at sea

Wondering if I ever make it home, will you come back
to me
Could we dream up a reason for a rendezvous?
I'm back in town and I got nothing to do
We could drive all day with the top let down
We could stay in tonight or we could wreck this town

I just wanna drink 'til I'm not thirsty
I just wanna sleep 'til I'm not tired
I just wanna drive 'til I run out of highway
Into the purple sky
But if I'm gonna live until I'm 50
I'm gonna need you by my side
Cuz I don't wanna dance without you with me

Into the purple sky

Uh huh, uh huh, uh huh, huh, huh

Into the purple sky

Uh huh, uh huh, uh huh, huh, huh

Into the purple sky

Uh huh, uh huh, uh huh, huh, huh

Into the purple sky

Uh huh, uh huh, uh huh, huh, huh

Into the purple sky

Uh huh, uh huh, uh huh, huh, huh

Into the purple sky
