You've got a body like the devil
And you smell like sex
I can tell your trouble, but I'm still obsessed
Because you know you're so hott!
I wanna get you alone...so hott
I wanna get you stoned...so hott
I don't wanna be your friend
I wanna fuck you like I'm never gonna see you again

Yeah
Come on
Yeah

You like the kiss of death
Like the hand of fame
I can tell your trouble
But i still wanna taste
Because you know your so hott!
I wanna get you alone...so hott
I wanna get you stoned...so hott

I don't wanna be your friend
I wanna fuck you like I'm never gonna see you again

because you know you're so hott!
I wanna get you alone...so hott
I wanna get you stoned...so hott
I don't wanna be your friend
I wanna fuck you like I'm never gonna see you again

So hott
I wanna get you alone
I wanna...get you stoned
I don't wanna be your friend
I wanna fuck you like I'm never gonna see you again
See you again
See you again
