[featuring Kenny Wayne Shepherd]

It aint wrong to feel so strong
When you think you got it goin' on
Life has a way of making you pay
But the club where we all belong
Now you're free to believe that the good life is
guaranteed
Watch your step cuz' its a safe bet
YOUR GONNA END UP ON YOUR KNEE'S

Your gonna get SPANKED!
I'm warning you sister,
Your gonna get SPANKED!
Life's gonna hit ya,
Ya never know until you get SPANKED!
Your gonna be humble,
Your gonna get SPANKED
Your worlds gonna crumble,
You never know until you get spanked.

Some do, wanna prove
That their are really just a chosen few
So test your fate
Speculate, that it could really never happen to you
I've been high
At least tried
I learned to sleep with an open eye
You crossed that line better take the time
TO KISS YOUR ASS GOODBYE!

Your gonna get SPANKED!
I'm warning you sister,
Your gonna get SPANKED!
Life's gonna hit ya,
Ya never know until you get SPANKED!
Your gonna be humble,
Your gonna get SPANKED
And your worlds gonna crumble,
You never know until you get

When your so sure you got it right
All alone in the spot light
Ya never see it coming
Ya never see it coming
Whoa Watch out
GET BACK!
