it was 1989  
my thoughts were small my hair was long  
caught somewhere between a boy and a man  
she was seventeen and she was far from inbetween  
it was summertime in southern michigan  
splashing through the sand bar  
talking by the camp fire  
its the simple things in life like when and where  
we didnt have no internet  
but man i will never forget  
the way the moon light shined in her hair  
we were trying diffrent things  
we were smoking silly things  
making love out by the lake to our favorite song  
sipping whiskey out the bottle

not thinking bout tommorow  
singing sweet old alabama all summer long x2  
catching walle from the dock  
watching the waves roll of the rocks  
shell forever hold a spot in my sole  
wed blister in the sun  
we couldnt wait for night to come to hit the sand and  
play rock and roll  
while we were trying diffrent things we werre smoking  
funny things  
making love out by the lake to our favorite song  
drinking whiskey out the bottle  
not thinking bout tommorow  
singing sweet old alabama all night long x2
