Uh
When it's through what you do is just play it back
Rewind it
Kick on back to the rap I format
Find it
That's how I desinged it
And fellas if you see a big butt get behind it
And grind on it
I mean push and bump
Cause it's about time we made this party jump
Take a drink of your forty
Lets trip don't sit, come on get the hell up
And lets get naughty
Get on the floor and just move your body to the sound
I found and also developed
He's not a skin head, that's the Abdul Jabar Cut
Look at the black man, now what'd up

Yeah...Yeah
Streets of Romeo
Mt. Clemens
Detroit
All over
Now people always me and KDC

If we take this activity a seriously
I reply, with a sigh rather unquely
And say does Donald Trump have a lotta money
Cause I'm the Geraldo, Philmore, Oprah
Yes a stupid question, but I wont quote ya
I'm the K-I-D R-O-C-K
Be blind to my mind
Down with Jive, RCA
Hey how could you judge me cause what I am
And take a look and say fuck him
He's not a skin head, that's the Abdul Jabar Cut
Look at the black man, now what up

Okay...Yeah
Like I said
Top Dog
One, two, to the three

And we always come back for more
Kenny wears a low fade

Danny wears no fade
I wear the high fade
And we all get paid
Tryin to blow my rap down the sink
And it sticks
Kicks
But go ahead cause my rap's made of brick
Hits
And uplifts
At shows, it flows but never drifts
It's too swift and moves with quickness
Top Dog again and you say what is this
The young six foot one Kid Rock
Its the under rated MC on top
Look at the black man, now what's up
He's not a skin head, that's the Abdul Jabbar Cut

Get down
Okay...Yeah
Come back
The black man from New Jersey
KDC
Kid Rock
It's the crew right here

Bitch
Now Patty keep it going with the guitar
Yeah, all you punk ass bitches
Hahahaha
This is Kid Mother Fuckin Rock
The beast crew is in the house

So get your mother fuckin hands up in the air
