People like the way my style is rollin  
The crowd rebounds as I flow slowin  
I'm not bullshittin  
Heres how im hittin  
Funkin it up more than George Clinton  
Swingin, and bringin in a new format  
A new breed indeed and I'm sure of that  
I'll impress the best, I won't rest the best  
Cause I'm blessed and I just won't settle for less  
Yes the kid who gets the crowd up  
The one with the hair that stands straight up  
People look and stare in shock

Trippin' over a Rock  
Trippin' over a Rock

Chased and chased and chased, but never close to  
caught  
And the skills I filled were all self taught  
With so many styles on each panfulls  
And they hit ya like a fifth a jack daniels  
As the girls admire the way I aspire  
To move higher and build my own empire

Not a liar, I tell no lies  
So hey girl you can trust these blue eyes  
But don't get me wrong I get wicked  
Shake that ass in my face and I'll stick it  
Hit it, get wit it  
Knock it out the box

Trippin over a rock  
Trippin over a rock

A genuine badman  
Like Yosemite Sam man  
I c-c-c-can rock the land  
And bring a new swing and sensation  
To represent the next generation  
So slack up, you better back up  
Come the score and you leave in a jigsaw  
Fuck with me

With no doubt  
I'll put my foot in your ass and won't pull it out  
I'll go deep in I won't weaken  
Guarenteed to keep the house leapin  
Girls flockin guys  
Try to to cockblock

Cause everybody's Trippin Over A Rock
