Ha, you took my friends away, yeah
You got them livin' for the grave
Now everything's been fine since you been gone
But you made my winter's feel so warm
I'm livin' for the soul that ain't been born

Yeah, see the suckers come down
It's alright, motherfucker
Come see

You played my soul for your fucking fool
Yeah, down in the beat
You took my life and turned it around
But you made my winter's feel so warm
I'm livin' for the soul that ain't been born

Yeah, see the suckers come down
It's alright, motherfucker
Come see

Yeah, you're making me feel this way
I can't live every time I'm in my grave, yeah, yeah
You got time burning the place on me, yeah
Oh never alone, I've been fine, yeah

Yeah, you're makin' me feel this way, yeah, yeah
I guess I'm livin' every time you sit in my grave
You got the joke to break on me
So I'm never alone, I've been fine
