WARRIOR

YEAHHHHHH

So Dont Tell Me Who's Wrong And Right When Liberty
Starts Slipping Away
And If You Aint Gonna Fight Get Out Of The Way
Cuz Freedom Aint So Free When You Breathe Red White
And Blue I'm Givin' All Of Myself Cuz Thats What I Do

And They Call Me Warrior
They Call Me Loyalty
They Call Me Ready To Provide Relief And Help I'm
Wherever You Need Me To Be
I'm an American Warrior
Citizen Soldier
I'm an American Warrior
Citizen Soldier
Ahhhhh Yeahhhhh

Citizen Soldier

I'd Never Leave Another Behind I Will Never Accept
Defeat I'm A Soldier In War Civilian In Peace Cuz
Freedom Aint So Free When You Breathe Red White
And Blue I'm Givin' All Of Myself How Bout You

And They Call Me Warrior
They Call Me Loyalty
And They Call Me Ready To Deploy, Engage And
Destroy, I'm Wherever You Need Me To Be

I'm An American Warrior Citizen Soldier
I'm An American Warrior Citizen Soldier

Warrior Citizen Soldier
Warrior Citizen Soldier

Ohhhhhhh Yeahhhhhh
