It ain't nothing but a party hey
From the early evening 'til the break of day
So step this way and let your mind be free
And by the way welcome to the party

Well my name's Kid Rock I'm a Capricorn
And Detroit's city where I was born
When I was young I knew I'd always be
A super live body rockin' emcee
I'm TNT I'm dynamite
And I'm gonna rock this party all damn night
I've got the gift of gab I can walk the walk
I became an emcee when I learned to talk
Sayin' goo-goo ga-ga
I gotta lotta time to eat emcees like pirhana
I'm a pro at this, yeah the ultimate
'Cause I don't spit, my rap too quick
I'm the ladies pick all around the world
But I only got eyes for just one girl
I don't roll twirl like a ballarena,
I roll through town and I rock arenas
I may seem a little underage
But at least I am not underpaid
I'm one of kind...here to shock your mind
And I will serve no rhymes, before their time
The K-K-Kid Rock, that is my name
And if you ask me again, I'll tell you the same
Who's to blame...I don't really know
But my game's so tight I think I'm gonna go pro
So here we go...here here we go
I'm gonna rock it up high, then rock it down low
From the floor to the ceiling to the living room
'Cause people like to hear my bass go
boom...boom...boom ba boom boom
The one two three the three two one

Don't stop me know I've just begun

Don't cut me down...don't start no fight
Or I'll put my foot in your astronaut (or ass tonight)
I'm outta sight, like the planet Mars

And when I set my sights I shoot for stars
I don't like small cars or real big women
But somehow I always find myself in 'em
I'm a hidden gem, a rollin' stone

I'm a one man band with a microphone
Here to make you shake and move your body
So come on in and welcome to the party

It ain't nothing but a party hey
From the early evening to the break of day
So step this way and let your mind be free
And by the way welcome to the party

Uh uh excuse me Mr. Kid Rock (what's up) can I do my
thing
Can I have a little something to say right here
Oh yeah, go ahead baby
I'm a real live show and you can watch me throw
I'm the M to the L and I'll let ya know
Alize is too sweet and it'll make ya fat
I've got a pound of dank and a gallon of Cognac (sp?)
I'm all of that and a bag of chips
I'm the whole damn party mix
I'm the chick that doesn't seem all too classy
You can't party with me but you can kiss my ass

It ain't nothing but a party hey
From the early evening to the break of day
So step this way and let your mind be free
And by the way welcome to the party

Hey Grandmaster Bob that old school shit's fresh
But uh let's rock some of that fuckin' 1998 Kid Rock shit
bro

I'm an Irish lad, but don't call me Clancy
I'm gonna rock it for Dixie to suit your fancy
Rock your pants off and party my dick off
People want to know when's the tour gonna kick off
I'm no rip-off , it's all original
Not too political...a little cynical
About the fakes and squakers that talk a lot of ca-ca
I know a lot of chicks that like to call me poppa
Don't start drama...mack in the bahamas
Rock on the dance floor to din dada
Cause I'm a player that you love to hate
Got your girl suckin' dick on video tape
I like pussy...suckin' on titties
Fucked a lot of different bitches from a bunch of
different cities

Kid Rock and I'm the same old fool

I'll tell ya to drop your boyfriend then drop outta high school

I got a whirlpool...don't even ask

Lickin' pussy underwater shootin' bubbles up your ass

I'm so crass that I'm the last of my kind

Me, Slick Willie in the DC Shrine

Sometimes I rhyme just for kicks

Forget the bullshit and bust like this

I don't steal from the rich and give to the poor

I take from my bitches from give it to my whores

What up I'm saying everybody

You get fucked up and i'll rock the party

Rock the party

Rock the party

Rock the party

Rock the party

Rock the party

Rock the party

Rock the party

Rock the party

Dude you're outta your fucking mind

Everybody got the job you're all hired
