Yep.

I've been on the cover of the Rollin' Stone  
I met the president when I was half stoned  
I been so high I've gotten confused  
I been beat down, broke & used  
Muthafucker  
I drank with hank, talked blues with Billy  
Rocked with Run sang with shotgun Willy  
Went from small time philly to big time Bobby  
From 3 day old chili to sake with wasabi  
I'm home hey I'm home  
You Never Met A Muthafucker Quite Like Me  
Not like me, dida dada like me, hey like me.

No more bein' poured drink specials at winners  
Or being ignored by the think straight sinners  
I used to smoke pinnars while my mom's made dinner  
Now I smoke bombs & rock with Lynyrd skynyrd  
No beginners here I'm a seasoned vet  
Educated on jazz by my man Ahmet  
Ertegun, my friend I been the world 'N' back  
But I'm Michigan boy can you feel that.

& I'm home  
You Never Met A Muthafucker Quite Like Me  
Not like me, God damn like me, hey hey like me.

Never thought I'd go as far in life as this  
Never made par & I could give 2 shits  
Never wanted sell cars 'cause my dad was a dit  
Never wanted a guitar 'til I heard a lick like this.

& from the depths of dixie to my northern spots  
You know it's time to rock when ol' glory drops!

I pimp through town with the top let back  
Black hat, fine blonde, cold pabst in my lap  
I'll adapt  
To any & all situations  
That's why they call me the pimp of the nation

Hey bitch you best believe I live in the woods not your  
world of greed  
Might, a little weed might a little yeah  
I'm so proud to be livin' in the USA.

You've Never Met A Muthafucker Quite Like Me  
Hey hey like me, da di da da stay like me, hey hey hey  
like me  
You ain't ever met & you ain't never gonna meet  
You never met a, never met a, never never never never  
met a  
Muthafucker quite like me  
You Ain't Never Met A Mutha Like Me  
Hey you ain't never never never never never met  
someone like me.  
(Hey hey)  
Never met like me,  
(Hey hey)  
(Hey dude hey)  
Never met a mutha like me  
(Come on, hey)  
& you never & never gonna never gonna meet  
(Hey come on already)  
You never met...  
(stop)  
What?  
(Dude, there's more to life than just you)  
[laughs:]
