Livin' my life in a slow hell  
Different girl every night at the hotel  
I ain't seen the sunshine in three damn days  
Been fuelin' up on cocaine and whiskey  
Wish I had a good girl to miss me

Lord, I wonder if I'll ever change my ways  
I put your picture away, sat down and cried today  
I can't look at you while I'm lying next to her  
You put your picture away, sat down and cried today  
I can't look at you while I'm lyin' next ta' her

I called you last night in the hotel  
Everyone knows but they wont tell  
But their half hearted smiles tell me somethin'  
Just ain't right, I been waitin' on you for along time

Fuelin' up on heart aches and cheap wine  
I ain't heard from you in three damn nights  
I put your' picture away, I wonder where you been  
I can't look at you while I'm lyin' next to him  
I put your' picture away, I wonder where you been  
I can't look at you while I'm lyin' next to him

I saw you yesterday with an old friend  
It was the same ol' same how have you been  
Since you been gone my worlds been dark and grey  
You reminded me of brighter days

I hoped you were comin' home ta' stay  
I was head of the church  
I was off to drink you away

I thought about you for a long time  
Can't seem to get you off my mind  
I can't understand why we're livin' life this way  
I found your picture today, I swear I'll change my ways

I just called to say I want you to come back home  
I found your picture today, I swear I'll change my ways  
I just called to say I want you to come back home  
I just called to say you love you, come back home
