Livin' my life in a slow hell  
Different girl every night at the hotel  
I ain't seen the sunshine in three damn days

Been fuelin' up on cocaine and whiskey  
Wish I had a good girl to miss me  
Lord, I wonder if I'll ever change my ways

I put your picture away  
Sat down and cried today  
I can't look at you  
While I'm lying next to her

I put your picture away  
Sat down and cried today  
I can't look at you  
While I'm lying next to her

I called you last night in the hotel  
Everyone knows but they won't tell  
But their half-hearted smiles  
Tell me somethin' just ain't right

I've been waitin' on you for a long time  
Fuelin' up on heartaches and cheap wine  
I ain't heard from you in three damn nights

I put your picture away  
I wonder where you've been  
I can't look at you  
While I'm lyin' next to him

I put your picture away  
I wonder where you've been  
I can't look at you  
While I'm lyin' next to him

I saw you yesterday with an old friend  
It was the same ol' same ol' How have you  
been?  
Since you've been gone my world's been dark and gray

You reminded me of brighter days  
I hoped you were coming home to stay  
I was headed to church  
I was off to drink you away

I thought about you for a long time  
Can't seem to get you off my mind  
I can't understand why we're living life this way

I found your picture today  
I swear I'll change my ways  
I just called to say I want you  
To come back home

I found your picture today  
I swear I'll change my ways  
I just called to say I want you  
To come back home

I just called to say I love you  
Come back home
