Verse 1 :

I got my own style and I got my own grace,
I work my own ankle
What chu tryna say ?
I got my own cut mills and say my own grain
Green out mosters be first on the scene
Yell foxes, Eyes in the sky
Always flip quick like can I get a ride ?
Can you get a ride man
Can I get spot
I see you throwin shade at the corner of my eye
Im from the ghost , so I keep moving on
From the freaks out night , to the early morn
Blue mafuckas done got me gone
