Girl I know we been waiting, waiting  
So much anticipation but  
We young and foolish  
And if we do this  
We might regret it all  
And I know we be doing all that kissing and hugging  
(Touching and rubbing)  
And yeah it's so good  
And I know that there's something on both our minds  
But maybe we should take our time

We can take it slow, slow, no girl  
We don't gotta take this thing all the way  
We can take it slow, slow down  
Baby we can wait, it's gonna be great  
If we take it slow  
We don't gotta rush girl  
Take it slow  
Don't rush the love  
Take it slow

Say we been going for a while now  
And it feels like we're ready babe  
It's gettin kinda heavy babe  
We should hold up, slow down  
I don't wanna rush you but you making it hard for me  
To keep my cool when I'm with you  
The way you look girl  
Got me so sure girl  
And there's something on both of our minds  
Maybe we should take our time

We can take it slow, slow, no girl  
We don't gotta take this thing all the way  
We can take it slow, slow down  
Baby we can wait, it's gonna be great  
If we take it slow  
We don't gotta rush girl  
Take it slow  
Don't rush the love  
Take it slow

I've been patiently waiting  
And I think until I can't take(?)  
And I know it's gonna be the greatest feeling  
But I think we gonna have to wait

We can take it slow, slow, no girl  
We don't gotta take this thing all the way  
We can take it slow, slow down  
Baby we can wait, it's gonna be great  
If we take it slow  
We don't gotta rush girl  
Take it slow  
Don't rush the love  
Take it slow
