She's a beauty, like Beyonce
She's in all of my sweet dreams
Like Christina, she's a diva
And afraid to get dirty
I couldn't tell you, gotta show you
Cause your body's more than words
She's a goddess, to be honest
Shawty's putting in the work, ah

[Chorus]

Tell me what you want, tell me what you need
Baby I just wanna be a soldier
Tell me what you want, tell me what you need
I'll be out attention when I hold you
Cause I like the way your body's working
Let's get on with this stop with the flirting, whoa
On your job, yeah, yeah, work
Do your job, yeah, yeah, work

Like Rihanna, she's a rock star
You know I be her rude boy
Got me Gaga, she's a monster
Got me speechless with no boys
I wanna shout it, cause a riot
To be known and to be observed
And to be honest, she's a goddess
Shawty's putting in the work, ah

[Chorus]

Tell me what you want, tell me what you need
Baby I just wanna be a soldier

Tell me what you want, tell me what you need
I'll be out attention when I hold you
Cause I like the way your body's working
Let's get on with this stop with the flirting, whoa
On your job, yeah, yeah, work
Do your job, yeah, yeah, work

Come on, rude girl, girl, I can't get enough
Come on, rude girl, girl, I can't get enough

Shake it, shake it, shake it, shake it,
Move that body baby, move that body baby
Throw them hundreds up, throw them, throw them
hundreds up
I throw them hundreds up, throw them, throw them
hundreds up
I throw them hundreds up, I throw them hundreds up

[Chorus]

Tell me what you want, tell me what you need
Baby I just wanna be a soldier
Tell me what you want, tell me what you need
I'll be out attention when I hold you
Cause I like the way your body's working
Let's get on with this stop with the flirting, whoa
On your job, yeah, yeah, work
Do your job, yeah, yeah, work X 2
