Verse 1

They're going to bed now
My stomach is sick
They're having some fun now
Or my name's not Kicks
I'm left by the door of the hotel room
It's silent and then....
A scream and boom!

Bridge

All I ever wanted
Was just a little farther
Just out of my reach
A life outside of you

Chorus

Cause I missed a lifetime
Of fun and playing games
While I was imprisoned
Trying to make you happy
I would have done anything
And everything all over
I would have given my life
Just to see you smile
I would have walked a mile
Five hundred, a thousand
It didn't matter
But now that's done
I'm little Miss Brightside

Verse 2

I'm seeing just now that you didn't even love me

You used me and pushed me away from my friends
You took my life and you turned it around
You sent me upside down
Twisting away

Bridge

Chorus

I love you
I need you
You took that away
I'm flying so high
My life gone astray
You used me and abused me
Took me for stupid
Only now I soon realized
Just the work of cupid
It was never true love
But merely a shove
A push and above
I was falling in love
Soon to be over
My life is a horror
Now that you're gone
What's the point?

Bridge

Chorus

I'm little Miss Brightside
I'm little Miss Brightside
I'm little Miss Brightside
