Don't you know that you're my reason  
For my love, my life, my beeing  
So secure and so damn sure my  
Heart would surely die without you  
I tried to swallow my pride  
But I felt my heart start to tremble inside  
Wish I didn't know 'cause I can't let you go  
Tell me  
Why  
Why when I looked in your eyes  
I felt my heart start to cry  
My o my  
When I saw you with the other girl  
Ooh why,  
Why did you have have to lie  
'Cause I felt the trust start to die  
Why o why  
When I still love you  
It's so hard to say goodbye  
How can you tell me it was nothing  
'Cause you took away everything I dreamed in  
Just a night and I held you tight  
When you know you were sleeping in my bed  
I tried to swallow my pride  
But I felt my heart start to tremble inside  
Wish I didn't know 'cause I can't let you go  
Tell me  
Why  
Why when I looked in your eyes  
I felt my heart start to cry  
My o my  
When I saw you with the other girl  
Ooh why,  
Why did you have have to lie  
'Cause I felt the trust start to die  
Why o why  
When I still love you  
It's so hard to say goodbye  
Should I quietly leave through the door  
Or maybe pretend the way things were once before  
When I met you  
I'll never forget you, so

Why  
Why when I looked in your eyes  
I felt my heart start to cry  
My o my  
When I saw you with the other girl  
Ooh why,  
Why did you have have to lie  
'Cause I felt the trust start to die  
Why o why  
When I still love you  
It's so hard to say goodbye
