Here we are like children
Trapped amongst our circle
Only pictures to recall
What will be tomorrow
Ask the birds of reason
I foreshadow all day long
Here we lay
Trapped amongst our circle
Here we lay
Like Sarah
Here we lay
Trapped amongst our circle
Here we lay
Like Sarah
As we wallow friendly
Oh so frequent
See the fear that touches all
The horizon melting
Run it's moving closer
Now we swim just like we should
Here we lay
Trapped amongst our circle
Here we lay
Like Sarah
Here we lay
Trapped amongst our circle
Here we lay
Like Sarah
Here we lay just like Sarah
Here we lay just like Sarah
Here we lay just like Sarah
Here we lay
I hope I pray I wait for sunlight
In the rain I weep I lay I stay
I sip I slip I let my mind begin to trip
In the land of maybe
Here we lay
Trapped amongst our circle
Here we lay
Like Sarah
Here we lay
Trapped amongst our circle

Here we lay
Like Sarah
