Can you deal with the hallucination?
Can you steal the hallucination?
I can hear and feel all that you're thinking
Can you deal with the hallucination?

When I'm drowning in the sea, I am
When you're looking down at me, I am
When I'm walking in the streets, I am a bullet

When I'm looking and I find, I am
When I'm purer than the sky, I am
When I'm fucking with your mind, I am a bullet

In the eye, in the mirror, I am
A black bullet
In the eye, in the mirror, I am

Alone, alone in this all.
Alone, alone in this all.

Deal with the hallucination
Can you deal with the hallucination?
When I'm walking on the line, I am
When I think that I could kill, I am
When I think that I am in love, I am
I am a black bullet

In the eye, in the mirror, I am
In the eye, in the mirror, I am

In the eye, in the mirror, I am
A black bullet
In the eye, in the mirror, I am

Alone, alone in this all.
Alone, alone in this all.

Can you deal with the hallucination?
Can you deal with the hallucination?
(Could you look me in the eyes)

In the eye, in the mirror, when

In the eye, in the mirror, I am
In the eye, In the mirror, I am
A black bullet
In the eye, in the mirror, I am

Alone, alone in this all.
Alone, alone in this all.
Alone, alone in this all.
Alone, alone in this all.
