Dead girl walking and on display
Wrapped in a cocoon of your own cliché
Dead girl walking, a fall from grace
Wrapped in a cocoon of your own cliché
Dead girl walking, it's such a shame
I saw it coming
I saw it coming from miles away

It's all so disposable
There's nothing here for you to take
And no one here for you to play
It's all so disposable
And if we get what we deserve
Then you deserve it, dead girl

Dead girl walking, the wasted days
Trapped in a cocoon and can't fly away
(Trapped in a cocoon and can't fly away)
Dead girl walking, the beauty fades
I see it coming
And the future is a lonely place

I tried and you betrayed

It's all so disposable
There's nothing here for you to take
And no one here for you to play
It's all so disposable
And if we get what we deserve
Then you deserve it, dead girl

Oh, you're just a broken one
Wasted all you could become
You're just a broken one
And I've given up on you, girl

You're so disposable
There's nothing here for you to take
No one here for you to play
It's all so disposable
And if we get what we deserve
You deserve it, dead girl

It's all so disposable
(You're just a broken one)
And if we get what we deserve

It's all so disposable
(Wasted all you could become)
And if we get what we deserve
Then you deserve it, dead girl
